There are roughly 20 supporting roles to distribute which will be assigned at early rehearsals.

Below includes a list of invited callbacks. Please find all callback materials at www.NAMusical.com.

During callbacks, you may be asked to read and sing for any or all parts, even those that you are not called for. Please become familiar with all of the materials (for either male or female) that are posted. If you can memorize your specific called characters, it will be beneficial. You may read for any cold acting/singing that is asked of you.

Callbacks will be: **Thursday, October 17, at 5:00 PM in the NASH Chorus Room.**

The Directing Team looks forward to a great season.
